

# LET HER SPEAK BY RUCHA NIMBALKAR

Time and again its proven that she is  
not a witch  
She is pure  
let her speak

Her work shows that  
she deserves to be heard  
she is not a free loader

She is divine, she gives birth  
She brings ideas to life  
and makes them worth

She is crazy  
Not to be taken easy  
her strength will make you hazy

LET HER SPEAK BY RUCHA NIMBALKAR

She is not an object  
to touch or play

She is more than her size,  
Her color, her shape are just a cover  
beneath all that lies a lot of calibre

She is funny, she is witty  
she is not born to please everybody

even when she is alone, like the sun  
she shines and needs no one

LET HER SPEAK BY RUCHA NIMBALKAR

She is a warrior, she is the Queen  
she is rising and will always be in  
(fashionable)

she made sure all her sisters get equal  
rights  
she wont give up a worthy fight

she is magnificent, noble  
the list goes to infinity  
she is not PERCEIVABLE
